# ONE MONTH BRIDAL & BEAUTY MAKEUP

## ENTRY REQUIREMENTS

*12th Pass / A Level / IB Diploma  
or equivalent.*

## COURSE OVERVIEW

The beauty industry is one of the most influential and exciting fields to work in when it comes to creativity. It also has clear divisions in specialist areas including bridal, film, TV, celebrity & media.

Ideal for beginners or those with previous experience, the industry tutored Certificate course in Beauty & Bridal Make Up Artistry allows aspiring make-up artists to learn skills from a foundation to a professional level. Students get tutored by industry make-up artists and also develop a professional portfolio with a Beauty Shoot & a Bridal Shoot conceived with professional photographers, models and stylists.

From prepping skin, to correction, lash-work, contour and highlight, lip-work and color theory and more you will gain insight into natural make-up, beauty editorial looks, glamour, creative and bridal make up artistry. Demonstration, theory & practice sessions are highly practical with live presentations from skilled industry experts. Students will be supervised with a focused level of individual feedback during practical application of skills on live models during theoretical learning and photo shoots.
